Little Athletics offers children a modified athletics program aiming to develop skills in a warm and friendly environment. It is all about participation and improvement – BEING YOUR BEST! Little Athletics is a unique sport in that it requires a lot of parent support to succeed. Volunteers make Little Athletics work and we encourage all members of the family to become involved.

The following are conditions of membership of Inglewood Little Athletics Centre:

  - o Parents / Legal Guardians who are volunteering are required to arrive and sign on at least 15 minutes before the scheduled first event - 7.45am on Saturday mornings, or 4:45pm on Twilight evenings;

- o Assist with the running of allocated site or fulfil other individual duties as allocated;
- o Remain available for the entire competition duration – approx. 3-4 hours or arrange someone to fill in for you should you need to leave the site for any reason
- o SET UP roster crew MUST be at the track for EVERY competition morning by 7:00am (4:00pm for Twilight or otherwise notified time) as this roster can be completed in 1 hour. The arena needs to be set up and ready for athletes to compete by 8:00am (5pm for Twilight or otherwise notified time)
- o Rostered COACHES must be at the track EVERY week on your designated day (either Monday, Tuesday or Thursday) from 4:15pm to 6:15pm. It is expected this duty includes some setting up and packing away of equipment.
